MEMORANDUM

From: Joe Lapka 
To: Permit file for Cabrillo Port
Date: October 27, 2006
Subject: Meeting with Congressional Staff

This is to document a meeting that took place between EPA and the staff of Congresswoman Capps, Congresswoman Feinstein, and Congresswoman Boxer.

October 27, 2006

Time: 10:00 AM PDT
Location: Via conference call
Participants: Joe Lapka, Jim Vreeland, Eugene Bromley, several staff members from the offices mentioned above.

Summary of Discussion:

During this call, EPA discussed recent activities regarding the proposed air and water permits for Cabrillo Port. With respect to the air permit, EPA shared its October 2 and October 13 letters with the participants on the call. EPA explained that the information requested in these letters is necessary for further evaluation of the public comments on the permit and that as of the date of the call, the Agency had received a response to its October 2 letter. EPA subsequently provided the participants with a copy of BHP's response.

EPA also informed the participants of the upcoming meeting of the Ventura County Air Pollution Control Board during which the Board is expected to discuss its position on the applicability of Rule 26 to Cabrillo Port. EPA
